ISTRUZIONI PER L'USO

KIT-UP

KIT-UP è un kit riattivatore di spazi abbandonati, che può essere adottato da una comunità attiva sul territorio al fine di generare valore sociale.

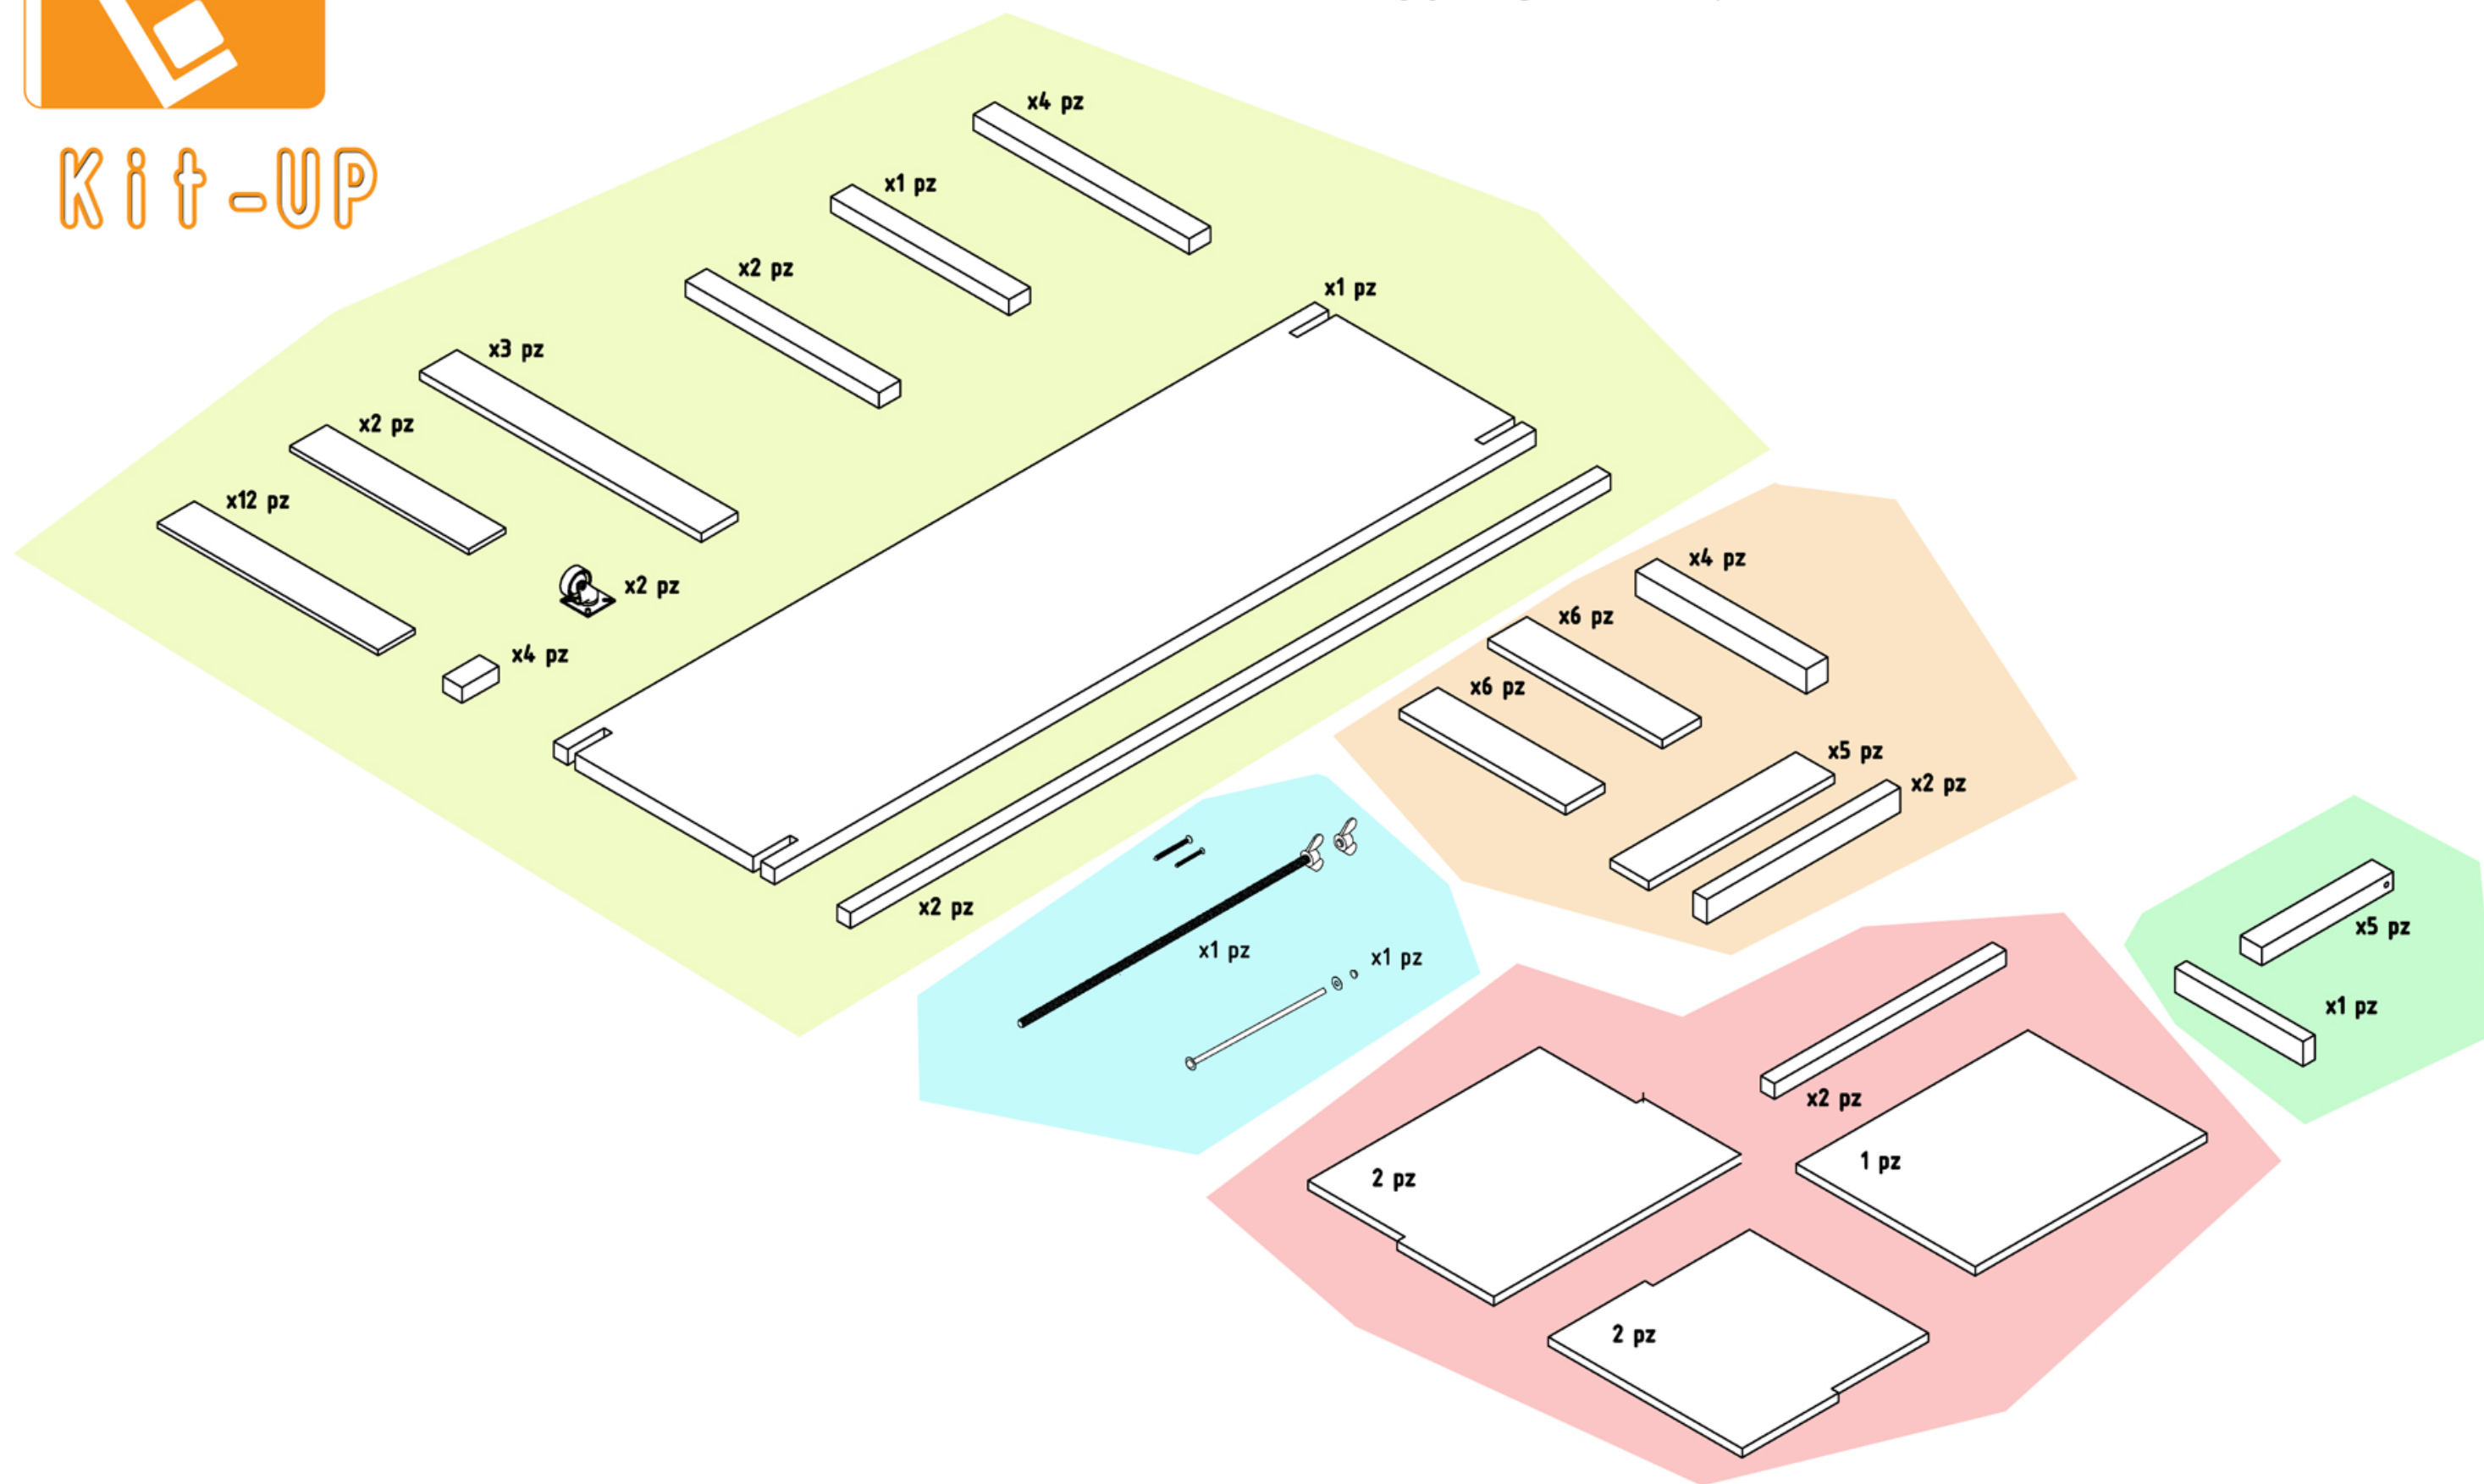

E' composto da una serie di elementi e dispositivi in legno che cittadini, associazioni ed enti possono utilizzare per la promozione di azioni ed eventi funzionali al processo di riattivazione dei sottani inutilizzati e di rigenerazione urbana del centro storico.
